Spring / Summer 2026 Line Sheet
Introduction

wisteria

[/wɪ'stɛːrɪə/] (noun) or wistaria [/ wɪs'tɛəriə /]

- (1) Wisteria is a type of climbing plant which has pale purple or white flowers.
- (2) Glass double doors open onto a balcony overhung with wisteria.

For Spring Summer 2026, Standardtypes is inspired by the wisteria-filled streets of West London. This collection captures the soft beauty and quiet power of purple — a color long linked to royalty, creativity, and mystery.

Flowing shapes meet sharp details, reflecting the blend of tradition and modern spirit found in London's summer bloom. From grand townhouses to garden-lined lanes, each look is a tribute to elegance, independence, and the magic of the season.
